An appeal was approved to revise the funding commitment for FRN 1799012092 (FY 2017) for the Independence Mission Schools ("IMS"). IMS needs to invoice USAC for the funds that were approved through the appeal. A new FRN was not issued and the date for invoicing had passed before the appeal was approved. We are writing to request an invoice deadline extension in order to bill USAC for the revised funding commitment.

We have attached the ***Revised Funding Commitment Decision Letter*** dated September 17, 2019 as evidence of the appeal approval and need for this invoice deadline extension.

If you have any questions, please use the contact information above.

Thank you very much for your consideration in this matter.
